Dude chill. For starters there's a thing called a filter and secondly I'm sure there's a million and one other posts she has to read and post. So be patient.

Hey
I'm really sorry
I found out my parents were getting divorced when that was posted
And I know that's not an excuse, but
Can you forgive me?

Please think before you post so apologies aren't needed thereafter.

I'm sorry that I'm basically being a hypocrite here but let's all go by the general rule of not crashing people's chat threads.

I don't crash chat threads--this is technically a summoning one. But I don't abide by that morale if it means that my friend may be affected negatively in any thread, chat thread or not. Sorry @Fallon.

I never said the apologies aren't needed--I said: "Please think before you post so apologies aren't needed thereafter." In addition, I also never claimed that Fallon was hurt by this. However, if one doesn't heed by that, it obviously is more likely to hurt others.

Galaxian means that you were impatient waiting for Fallon, so she apologized. Galaxian thinks that if you didn't say that, she wouldn't need to apologize. Sorry for barging in on your chat thread. Continue.

I will stop posting on this thread. However, if by dropping it you mean I give up my point, I do not. If apologies are given without meaning, it doesn't say anything. In conclusion, my point still stands. Goodbye.
